

VISA FOR JAPAN

Dependent Visa

Securing a Japan dependent visa as a Nepali citizen involves several steps. Firstly, the main visa holder in Japan (such as a spouse or parent) must apply for a Certificate of Eligibility on your behalf from the local immigration office. Once approved, this document is sent to you in Nepal. With the Certificate of Eligibility in hand, you will need to submit necessary documents to the nearest Japanese embassy or consulate. Ensuring that all the documents are correct and fulfill the requirement is essential for you to get the opportunity to join your loved ones in Japan.

**Notes : Processing Time is 4 days. (Varies accordingly) / Take Japan Address as per Zairo Card*
